### **IV. MULTI-YEAR PROPOSAL INSTRUCTIONS**

#### **First Year**

##### **Step 1:**

In addition to the steps set forth below, see the requirements listed on page B-1 for first year of 3-year proposals.

Applicants shall submit a complete budget, which includes a Standard Form 424 (SF-424) "Application for federal funds," Standard Form 424A (SF-424A) "Budget Information-Non-Construction Programs," and all required certifications as listed in the Required Application Format section of this Program Announcement.

The initial proposal should also include two separate SF-424s for the optional years two and three budget periods. No additional budget information is necessary with the initial proposal for optional years two and three. Additional information must be provided regarding future budget submission at renewal time.

The project period consists of an initial 12-month budget period and a 24-month option period (comprised of two 12-month budget periods). The Notice of Award for the initial budget year will provide funding for a 12-month period only. The Cooperative Agreement will include a statement which reads: "Project period of up to 36 months, consisting of three 12-month budget periods, subject to the availability of funds."

##### **Step 2:**

Sections A, B, C, D and E of the SF-424a, "Budget Information - Non Construction Programs" should be completed for the corresponding 12-month budget period.

##### **Step 3:**

Applicants should prepare a program narrative for the three-year project period. The development, management, coordination and operation of the statewide SBDC program, along with targeted SBA goals and initiatives should be discussed. The Planned Milestone Accomplishments for the Lead SBDC and for all Service Centers must be completed for the first year only.

##### **Step 4:**

The 36-month programmatic and budget proposal must be reviewed by and have received concurrence from the District Office. It is then sent via electronic submission to [www.grants.gov](http://www.grants.gov) to the OSBDC to be

reviewed for programmatic content by the appropriate SBA Program Manager. If there are no programmatic issues to be resolved, the SBA Program Manager will recommend approval to the Grants Management Specialist. The Grants Management Specialist will review the budget and all fiscal documentation. Once determined that all costs are in compliance with applicable OMB cost principles, the Grants Management Specialist will process and issue the Notice of Award. **NOTE: District and SBA headquarters staff must concur on each 12-month budget period.**

#### **Step 5:**

The "Cash Match and Program Income Certification" and "Planned Milestone Accomplishments" must be submitted annually.

### **Second and Third Years**

#### **Step 1:**

In the spring of each year the Program Announcement will be made available on [www.grants.gov](http://www.grants.gov) and will indicate any programmatic changes or budgetary revisions that need to be made to original proposal submitted to OSBDC. OSBDC will provide existing SBDCs with projected funding levels to be used in budget preparation. SBDCs wishing to exercise a renewal option must officially notify the Program Manager in OSBDC (e-mail or fax) by the appropriate date as indicated on the Submission Date listing page of this Program Announcement. This will be the official notification that the SBDC wishes to request the second or third year funding options. SBDCs exercising a second or third year funding option can do so without having to submit a completely revised programmatic or budgetary proposal (assumes satisfactory performance and the availability of funds).

The second or third year funding option submission must have District Director concurrence and include the following:

1. A new SF-424 and 424A and a complete budget and narrative justification are required for this option year
2. A copy of your current negotiated indirect cost rate agreement, if there are any changes
3. Any new SBA/SBDC priorities
4. A complete set of milestones covering the coming year
5. A Certification of Cash Match and Program Income
6. A revised SBDC Network Listing using the MS Excel format provided on page B-2
7. A list of any new employees, the position he/she will occupy, and a resume
8. A list of scheduled SBDC (including Lead and Service Center) holiday closures

All funding proposals be reviewed and approved by the SBA District Office and then submitted to OSBDC via [www.grant.gov](http://www.grant.gov) by the date specified in this program announcement.

#### **Step 2:**

After the proposal has been received by OSBDC, all revisions (if any), will be reviewed for programmatic and financial content by the appropriate Program Manager and Grants Management Specialist. SBDCs will be contacted by OSBDC if there are unresolved issues in the proposal. If there are no outstanding issues to be resolved, the Program Manager will recommend approval to the Grants Management Specialist. The Grants Management Specialist will then process and issue the Notice of Award.

### **VI. EXECUTIVE ORDER 12372 PROCESS**

Applicants submitting proposals to the Small Business Administration for operation of a Small Business Development Center are bound by the provisions of Executive Order 12372, "Intergovernmental Review of Federal Programs."

To ensure compliance with the Executive Order, SBDCs must provide their State's point of contact with a copy of their proposal as soon as possible. SBA will publish a Notice in the Federal Register notifying States of each pending application, including applications due to be submitted for continuation of ongoing programs. For those applicants submitting proposals to continue operations, the Federal Register Notice will provide for a comment period of 120 days, where practical.

In addition to notifying states of pending applications through the Federal Register, SBA will also send a letter to the applicable state point of contact alerting the state of SBA's intent to fund an SBDC. This letter will include the State or Region SBDC Director's name, address and telephone number and suggest that the addressee contact the State or Region Director if there are any questions about the SBDC program.

The point of contact designated by the state will be asked to forward the state process recommendations directly to the Associate Administrator, Office of Small Business Development Centers, U. S. Small Business Administration, 409 3rd Street, SW, Washington, D.C. 20416. A copy should also be sent to the Lead SBDC Director. Only written comments/recommendations submitted by the point of contact and directed to the AA/SBDCs, will be guaranteed a formal response from SBA. These comments must be received within the time frames stated above.

SBDC applicants must make every effort to accommodate the recommendations of the state. If an accommodation between the state and the SBDC applicant cannot be reached, the SBA will work with the SBDC and the state in an effort to accommodate the recommendation. If acceptance of the

recommendation is not possible, SBA will furnish the state with a written explanation of the non-accommodation. The OSBDC will also consider comments received from state, regional and local officials even if no official state process procedure has been established. SBDC applicants receiving these comments directly shall ensure they are forwarded to the AA/SBDCs, for consideration. SBDC applicants must cooperate fully with SBA officials at all levels to ensure that all comments are addressed in this consultation process.
